Date: 7/11/2023

Minutes of Meeting

An important meeting was held in the office of the Principal on 5th November with regard to the digital initiative for improving delivery of Teaching -Learning process. The participant's include the Principal GDC Handwara, all HODS, Convener website & ITC committee and the IQAC convenor put forward the idea of DIGITAL Initiative or Digital Learning which include installation of Flat panel displays, broadband facility, development e-platform and other digital activity inside the campus. After detailed discussion with the members, following recommendations were made:

It was decided that all efforts will be made to introduce digital base in the campus so that both teachers as well as students are benefitted.

It was decided that Interactive Flat Panel Displays (IFPD) should be installed in the rest of the classrooms which were left behind in the previous initiative,

The initiative should focus on digital learning, including the development of e-resource.

The establishment of Learning Management System(LMS)
