Report on World No Tobacco Day

To mark **World No Tobacco Day**, the NSS Units of GDC Handwara organized an awareness rally on 2nd of June 2025. The event aimed to sensitize students and the community about the harmful effects of tobacco consumption and to promote a tobacco-free lifestyle.

A large number of enthusiastic students participated in the rally, carrying posters and placards with powerful anti-tobacco messages. The rally served as a strong visual statement against the use of tobacco and helped in spreading awareness among the local residents.

The rally was led by the NSS Programme Officers, Dr. Shahida Shabnum and Dr. Gh Nabi Najar, who also delivered brief but impactful talks highlighting the importance of quitting tobacco, the health hazards associated with its use and the need for collective societal efforts to combat this menace.

The event successfully conveyed the message of the day and reflected the commitment of the NSS Units and the college towards promoting public health and well-being.
