Report on Plantation Drive held at GDC Handwara

A plantation drive was organized by the Department of Botany in collaboration with Department of Environmental Science, GDC Handwara on 3rd of April 2025. The event witnessed enthusiastic participation of students along with Faculty and non-teaching members of the College. The Heads of Departments, Dr. Nisar Ahmad Lone (HoD Botany) and Dr. Gh Nabi Najar (HoD Environmental Science) were also present, adding significance to the occasion.

The drive aimed to enhance the green cover of the college while promoting environmental awareness among students. Various Plant saplings were planted across the campus, with participants actively engaging in the process.

The presence of faculty members and students created an inspiring atmosphere, adopting a collective commitment to protecting the environment. Participants expressed their enthusiasm and pledged to nurture the newly planted saplings, ensuring their survival and long-term benefits.

The success of the plantation drive reflected the collaborative spirit between the two departments and their shared dedication to environmental sustainability. As these saplings grow into mature trees, they will stand as a testament to the commitment of GDC Handwara toward a greener future. The event not only contributed to the beautification of the campus but also inspired students to actively engage in similar initiatives, reinforcing the importance of collective action in environmental conservation.
