Report on Mock Exercise & Fire Safety Audit

On June 2nd of June 2025, the NSS Units, of Government Degree College Handwara, in a collaborative effort with the Fire and Emergency Services Handwara, organized a comprehensive **Mock Exercise and Fire Safety Audit** at the college campus of GDC Handwara. The event saw the esteemed presence of Worthy Principal GDC Handwara, Prof. G.R. Ganaie, alongside dedicated faculty members, personnel from the Fire & Emergency Services Handwara and a significant number of college students.

A key highlight of the program was a practical mock drill conducted by Mr. Zahoor Ahmad, an instructor from the Fire and Emergency Services. Mr. Zahoor Ahmad skilfully demonstrated various crucial methods for addressing an LPG gas leakage fire, including techniques to prevent its escalation and burst through simple actions and the effective use of a fire extinguisher. Following this, Mr. Naseer Ahmad Parray, a fireman, provided hands-on demonstrations of diverse rescue methods applicable to fire and other emergency situations, offering valuable insights to the assembled audience.

The initiative aimed to educate and empower the college community with essential knowledge and practical skills in fire safety and emergency response. The interactive demonstrations fostered a greater understanding of preventative measures and immediate actions during critical incidents.

The program concluded with a vote of thanks delivered by Dr. Gh Nabi Najar, NSS Programme Officer, expressing gratitude to all participants, especially the Fire and Emergency Services Handwara for their invaluable contribution to this vital awareness and training event.
